

Parent Input for Math Textbook Adoption

May 3, 2016

Dear Parent,

Educators look for the following features to rate textbooks for quality: Degree of alignment to standards, explanation of the subject matter, materials to support teaching, assessments, technological interactivity, practice and homework exercises, user friendly format, appropriateness for students with special needs and English Language Learners, etc.

Your input is important to us and we thank you for taking the time to review these textbooks.

Please rank the textbooks below marking the one you liked the most as #1 to the least as #6 and write any comments you may have.

_____ Houghton Mifflin Harcourt: Math in Focus (K-8)

_____ McGraw –Hill: My Math (K-5)

_____ Pearson Scott Foresman: enVision Math (K-6)

_____ Houghton Mifflin Harcourt: Go Math! (K-6)

_____ Houghton Mifflin Harcourt: Math Expressions (K-6)

_____ McGraw- Hill: Everyday Mathematics (K-6)
